Re: EACPT Prize 2017-Lifetime Achievement in Clinical Pharmacology

Dear Dr. Saner,

Thank you for your message regarding the intent of the Swiss Society of Clinical Pharmacology and Toxicology to nominate me for the 2017 EACPT Award "Lifetime Achievement in Clinical Pharmacology".

I feel extremely honoured and accept this nomination. This is also to certify that in case of being selected for this award by EACPT, I agree to give an Award Lecture during the EACPT conference in Prague in June of 2017. I also agree that this lecture can be recorded for posting on the EACPT website.

Sincerely yours,

Urs A. Meyer, M.D.
